For the food we eat

.https://riverofsong.uk/

Give thanks to the Earth, the great provider. A little gem that invites us to reflect on the bounty we are given and friendship. Can be sung at harvest time, Thanksgiving or any time we wish to be thankful. The first verse can be found in many campfire collections. Second verse by Dany Rosevear.

For the food we eat, we thank you
For the friends we meet, kind and true;
For the fun we share, all day through,
For our family, we thank you. x2

For the sun and rain, we thank you
For the seed and grain and pumpkins too;
For flowers, trees, each bird that sings,
We thank the Earth for everything! x2
