

Lullaby for a little bee 🐝

*All parents and other living creatures, want the very best for their young but always within their capabilities so they can be contented with life and play their part. This little prayer / lullaby encapsulates some of those things we wish for our children, 'seeds of love' we would gladly bestow on them.
Words and music by Dany Rosevear.*

The image shows two staves of musical notation in G major (one sharp) and 3/4 time. The first staff contains the melody for the first line of lyrics: 'Be busy, be happy, Be the very best you can. Be'. The second staff contains the melody for the second line: 'wild my child, Be full of life, Explore and learn and plan.' Chord symbols (A, E7, D) are placed above the notes to indicate accompaniment.

Be busy, be happy,
Be the very best you can.
Be wild my child,
Be full of life,
Explore and learn and plan.

Be helpful, be caring,
To all that fly your way.
And together then,
As the summer ends
Make honey every day.

No hurry, don't worry,
Just be all you're meant to be.
The sun's in the West,
The flow'rs at rest,
Sleep softly my sweet honeybee.
