

Sleepy, sleepy eyes

A simple soporific cradle song. 'Teddy' can be replaced by child's favourite night time toy e.g. rabbit, blanket which gives child a little kiss at the point of singing its name.

Words and music by Dany Rosevear.

lit - tle eyes, Sleep - y, sleep - y eyes, sleep - y, sleep - y eyes,

The stars are out, the moon is high,
Wise stories told, then lullabies,
Time to close your sleepy eyes,
Sleepy, sleepy eyes.

There's dreams to dream in comfort deep,
Teddy dear will night watch keep,
Close those sleepy little eyes,
Sleepy, sleepy eyes, sleepy, sleepy eyes.
