

When Santa got stuck up the chimney

The version below of this traditional song was sung by Jimmy Grafton but there are many other versions to be found on the internet.

Oh what a ter - ri - ble plight! — He stayed up there all night.

When Santa got stuck up the chimney, he began to shout;
"You girls and boys won't get any toys if you don't pull me
out.

My beard is black, There's soot in my sack,
My nose is tickling too!"

When Santa got stuck up the chimney,
Achoo! Achoo! Achoo!

'Twas on the eve before Christmas day,
When Santa Claus arrived on his sleigh.
Into a chimney he climbed with his sack,
But he was so fat, he couldn't get back.

Oh, what a terrible plight!
He stayed up there all night.

When Santa got stuck up the chimney, he began to yell;
"Oh hurry, please. It's all such a squeeze.

The reindeer's stuck as well!
His head's up there in the cold night air,
And his nose was red; now it's blue."

When Santa got stuck up the chimney,
Achoo! Achoo! Achoo!

So Rudolph tugged with all his might,
But Santa Claus was stuck very tight.
He wiggled and jiggled then cried with a frown:

"I'll never get up. I'll never get down,
Oh, what a terrible fuss!

We should have come by bus."
