

Good morning Mr. Sun

A morning circle and bedtime song.

This song appeared in Child Education 1922-1942.

The tune and second verse here is adapted by Dany Rosevear.

Good morning Mr. Sun,
Our day has just begun,
We love to see your smiling face,
Good morning Mr. Sun.

Good evening Lady Moon,
It's sleepy time quite soon,
We love to see your shining face,
Good evening Lady Moon.
