

# Five little snowmen fat

*A lovely winter song and action game for younger children.*

*Show number of fingers and indicate a fat snowman belly.*

*Show hat above head. Make big circle above head.*

*Wriggle fingers down. Pretend to cry. Move downwards in increments.*

Five lit - tle snow - men fat, Each with a fun - ny hat, Up came the sun and  
mel - ted one, Aaaaahh! What a sad thing was that! Down, down, down.

Five little snowmen fat,  
Each with a funny hat,  
Up came the sun and melted one,  
Aaaaaaah!  
What a sad thing was that!  
Down, down, down.

Four little snowmen fat...  
Three... Two... One...

No little snowmen fat,  
Only their funny hats.  
But the next time it snows,  
I'll build more of those,  
Oh what fun is that!
