

# Ten fat sausages

*Can you count in twos to ten? This song helps you subtract two each time and understand the concept of two less.*

Ten fat saus - ag - es sizz - ling in the pan, Ten fat saus - ag - es  
sizz - ling in the pan, One went 'POP!' and the o - ther one went  
'BANG!' So there were eight fat saus - ag - es sizz - ling in the pan,

Ten fat sausages sizzling in the pan, x2  
One went 'POP!'  
And the other one went 'BANG!'  
So there were eight fat sausages sizzling in the pan.

Eight fat sausages sizzling in the pan, x2  
One went 'POP!'  
And the other one went 'BANG!'  
So there were six fat sausages sizzling in the pan.

Six fat sausages sizzling in the pan, x2  
One went 'POP!'  
And the other one went 'BANG!'  
So there were four fat sausages sizzling in the pan.

Four fat sausages sizzling in the pan, x2  
One went 'POP!'  
And the other one went 'BANG!'  
So there were two fat sausages sizzling in the pan.

Two fat sausages sizzling in the pan, x2  
One went 'POP!'  
And the other one went 'BANG!'  
So there were no fat sausages sizzling in the pan!
