

Here are grandma's glasses

Glasses are among the most desirable objects for young babies – shiny and great to put in the mouth but with a bit of luck they might learn how to place them back on their owner's nose especially if it belongs to grandma or granddad having a nap!

Verse 1. Make glasses with thumbs and fore fingers. Make hat above head. Link hands. Place in lap. 2. Make larger glasses with thumbs and fore fingers. Make a big hat above head. Fold arms. Place in lap.

Here are grandma's glasses,
Here is grandma's hat,
This is the way she folds her hands
And puts them in her lap.

Here are granddad's glasses,
Here is granddad's hat,
This is the way he folds his arms
And has a little nap.
