

Flowers grow

A simple Spring action rhyme.
Music by Dany Rosevear.

Crouch down.

1. **With palms together move hands upwards and open at face.**
2. **Palms move above head and stretch outwards.**
3. **Jump up and stretch arms.**

Flow - ers grow just like this. Trees grow just like this. And I grow just like that!

Flowers grow just like this.
Trees grow just like this.
And I grow just like that!
