

Make a den

<https://riverofsong.uk/>

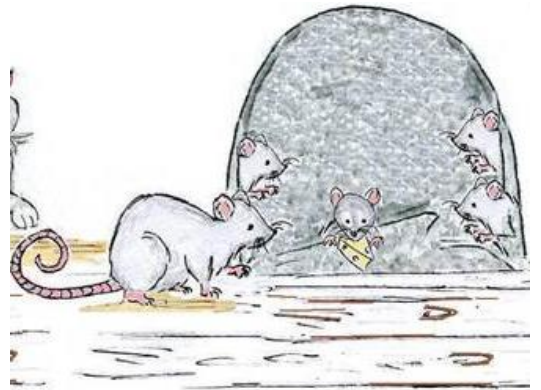

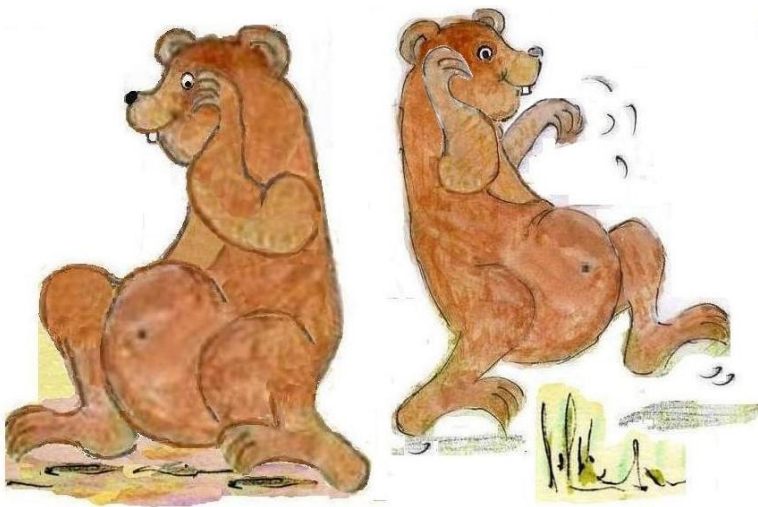

Just pretend, a hand play.

For make-believe wonder all you need is a blanket and some chairs or a big brown cardboard box, best toys in the world. A rhyme by Mary Blair.

Verse 1. Place hands over head. Growl like bears. 2. Make a big circle with arms. Rub upper arms. Make hole with thumb and forefinger.

Stroke both cheeks away from nose with the back first two fingers.

Squeak, "Eek, eek, eek!"

Let's put a blanket
Over the chairs.

This is a den,
And we are bears.
"Grrrrrh!"

This is a cave
All made of ice.
This is a hole,
And we are mice.
"Eek, eek, eek!"
