

# The rainbow fairies

<https://riverofsong.uk/>

A colourful poem and song . Kindness wrapped up in a little weather story.  
Based on the poem 'The Rainbow Fairies' by L M Hadley. (I have also seen it attributed to Julia Horatia Ewing and would love to know which is correct!)  
music by Dany Rosevear.

pon a line of sun - beams made, They hung their gowns to dry.

Two little clouds, one summer's day,  
Went flying through the sky;  
They went so fast they bumped their heads,  
And both began to cry.

Old Father Sun looked out and said:  
"Oh, never mind, my dears,  
I'll send my little fairy folk  
To dry your falling tears."

One fairy came in violet,  
And one wore indigo;  
In blue, green, yellow, orange and red,  
They made a pretty row.

They wiped the cloud-tears all away,  
And then from out the sky,  
Upon a line of sunbeams made,  
They hung their gowns to dry.
