

This little bunny

<https://riverofsong.uk/>

A finger play for Easter time. The staple food of a rabbit is grass and hay rather than carrots one usually associates with them; I have adapted the last line of this classic rhyme to reflect this.

Fold one finger down at a time. 1. **Ring eye.** 2. **Tap forehead.**
3. **Stroke back of hand.** 4. **Nibble with fingers and thumbs.**

This little bunny has two pink eyes

This little bunny is very wise

This little bunny is soft as silk

This little bunny is white as milk

This little bunny nibbles away

At grass, lettuce and carrots the livelong day!
