Addresses emotions and the past tense.

1. With paws together jump or bob up and down. 2. Turn with hands behind and wiggle. 3. Move two finger rabbit ears upwards. 4. Place hand to ear then circle eyes. 5. Brush cheeks to show whiskers and tremble. 6. Whirl downwards.

A lit - tle rab - bit on a hill Was jump - ing up and down. Its
fluff - y tail was soft and white, Its two long ears were brown. But
when it heard a ti - ny sound, Its eyes flashed black as coal, Its
lit - tle whisk - ers trem - bled As it scut - tled down a hole!

A little rabbit on a hill
Was jumping up and down.
Its fluffy tail was soft and white,
Its two long ears were brown.

But when it heard a tiny sound,
Its eyes flashed black as coal,
Its little whiskers trembled
As it scuttled down a hole.
