<https://riverofsong.uk/>

*Move up and down to learn the concepts of tall, small and high.*

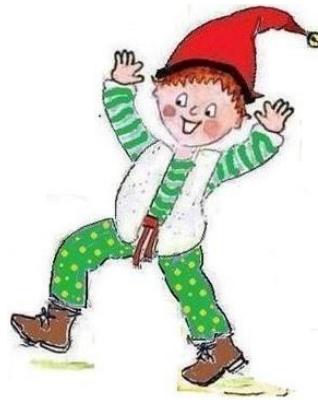

*Music by Dany Rosevear.*

**1. Stand tall like a giant. 2. Slowly sink to the floor. 3. Slowly rise. 4. Stand tall, stretch, and reach arms high.**

Here is a giant who is tall, tall, tall, Here is an elf who is small, small, small. The

elf who is small will try, try, try, To reach the giant who is high, high, high!

Here is a giant who is tall, tall, tall,  
Here is an elf who is small, small, small.

The elf who is small will try, try, try,  
To reach to the giant who is high, high, high.
