I saw a turtle turn,  
It turned and winked at me,  
I saw a turtle turn,  
Just as the sun was rising.  
Turn, turtle, turn, Turn, turtle, turn!

I saw an elephant wave its trunk,  
It waved its trunk at me,  
I saw an elephant wave its trunk,  
Just as the sun was rising.  
Wave, elephant, wave, Wave, elephant, wave!

I saw a dolphin swim along,  
It swam along with me,  
I saw a dolphin swim along,  
Just as the sun was rising.  
Swim, dolphin, swim, Swim, dolphin, swim!

I saw a tiger prowl along,  
It prowled along with me,  
I saw a tiger prowl along,  
Just as the sun was rising.  
Prowl, tiger, prowl, Prowl, tiger, GULP!
