

Hens of different colours

<https://riverofsong.uk/>

A farmyard colour recognition rhyme.

Invite children to identify the colour of a hen by pausing each time before the word is said.

This little hen is black.
She stands in the barnyard by a big haystack.
This little hen is red.
She is very tired and won't get out of bed.
This little hen is brown.
She is feeling sad and wearing a frown.
This little hen is yellow.
Her friend is the rooster. He's a handsome fellow.
This little hen is white.
She dances and plays; Oh, what a sight!
This little hen is purple.
She spends her day running in circles.
This little hen is green.
She is the silliest hen I've ever seen.
This little hen is blue.
She lays eggs for me and you.
This little hen is pink.
She goes down to the pond to get a drink.
I have colorful hens so pretty to see.
I love them and they love me!
