

One potato, two potato

<https://riverofsong.uk/>

Younger children can enjoy listening to the verses and just joining in with the chorus.

Mime simple actions during each verse.

For the chorus curl hands into fists and place one on top of the other.

Remove the bottom fist and place it above the other in time to the music.

Keep repeating this action as each time the fists get higher.

Children find this activity great fun!

The musical score is written on a grand staff with a treble clef and a key signature of one sharp (F#). The time signature is 4/4. The score consists of seven lines of music with lyrics underneath. Chord symbols are placed above the notes. The lyrics are: "In my lit - tle gar - den now pro - mise you won't laugh, I have - n't an - y flo - wers and I have - n't an - y grass, But now I'm going to dig and plant And soon I'll have a show; With a bit of sun and a bit of rain There'll be a love - ly row of One po - ta - to, two po - ta - to, three po - ta - to, four, Five po - ta - to, six po - ta - to, se - ven po - ta - to, more. One po - ta - to, two po - ta - to, three po - ta - to, four,". The score ends with a double bar line.

In my little garden, now promise you won't laugh,
I haven't any flowers and I haven't any grass,

But now I'm going to dig and plant
And soon I'll have a show;
With a bit of sun and a bit of rain
There'll be a lovely row of:

Chorus

One potato, two potato, three potato, four,
Five potato, six potato, seven potato more.
One potato, two potato, three potato, four,
Five potato, six potato, seven potato more.

I'm going to grow so many things, I'll surely never starve,
Cabbages and cauliflowers, I won't do things by halves,
I'll plant a row of runner beans,
They'll grow so very high,
With a bit of sun and a bit of rain,
They'll reach up to the sky. *Chorus*

So if you're ever down my way, do drop in for tea.
We'll have lettuces and radishes, they'll all be grown by me,
Tomatoes too, and cucumbers,
Oh what a lovely spread!
And if you do not like that,
You can always have instead: *Chorus*
