

Sammy's mango tree

<https://riverofsong.uk/>

A subtraction number play.

I found the original at: [ED087019.pdf](#)

Set to music by Dany Rosevear who has also adapted it for cooler climes as '[Charlie's apple tree](#)'.

Subtract, bend down, one finger at a time from finger tree.

Up in Sam - my's man - go tree, Ten ripe man - gos I can see. Some for you and
Nine ripe man - gos etc.

some for me. Pick a man - go from the tree, (Count 1. - 9. one less each time)

The image shows two staves of musical notation in G major, 4/4 time. The first staff contains the first two lines of the song, with lyrics written below the notes. The second staff contains the third line of the song, including a count-down instruction: '(Count 1. - 9. one less each time)'. Chord symbols G, D7, and G are placed above the notes.

Up in Sammy's mango tree
Ten ripe mangoes I can see.
Some for you and some for me,
Pick a mango from the tree.
1, 2, 3, 4, 5, 6, 7, 8, 9
Up in Sammy's mango tree
Nine ripe mangoes I can see etc.

Last verse - Up in Sammy's mango tree
One ripe mango I can see.
One for you but none for me.
Pick that mango from the tree.
