A song of global unity.

We are all passengers for one life on this dear world; we must work together to ensure it is a good world that we leave for those who follow us. This Spanish song written by Charles Lorre Wyatt has been sung by Raffi and Pete Seeger among many others.

sea, The sea sings it to the boat — That car - ries you and me.

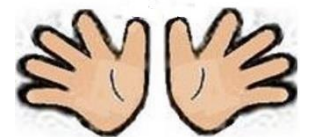

Chorus:

Somos el barco, somos el mar
Yo navego en ti, tu navegas en mi
We are the boat, we are the sea
I sail in you, you sail in me

The stream sings it to the river, the river sings it to the sea
The sea sings it to the boat that carries you and me. *Chorus*

Now, the boat we are sailing in was built by many hands
And the sea we are sailing on, it touches many sands. *Chorus*

O the voyage has been long and hard and yet we're sailing still
With a song to help us pull together, if we only will. *Chorus*

So with our hopes we raise the sails to face the winds once more
And with our hearts we chart the waters never sailed before. *Chorus*
