

Willow bee

<https://riverofsong.uk/>

An American copycat game.

A 'willow bee' is a movement. One child creates a 'willow bee' movement which the others follow. The rhythm of the first half is slow, the second faster.

From 'Catch a song by Deanna Hoermann and Doreen Bridges, published 1988.

The musical score is written on three staves in G major (one sharp) and 2/4 time. The first staff contains the melody for 'This way we wil-low bee, we wil-low bee, we wil-low bee, Oh,' with a G chord above the first measure. The second staff continues with 'this way we wil-low bee, all day long' with G and D7 chords above. The third staff repeats the melody for 'Ly-ing in the green tree, green tree, green tree, Ly-ing in the green tree, all day long' with G and D7 chords above. The score ends with a double bar line.

This way we willow bee, we willow bee, we willow bee,
Oh, this way we willow bee, all day long.

Lying in the green tree, green tree, green tree,
Lying in the green tree, all day long.
