

Little butterfly in the kitchen / Borboletinha

<https://riverofsong.uk/>

A delightfully funny action song from Brazil for the very young with a distinctive rhythm. It can be dramatized as below or older children may like to play this game: <https://www.youtube.com/watch?v=cYIF-dKD8is>

It sounds much more impressive in its original language!!

1. Flap arms like a butterfly. 2. Imitate mixing with one hand while holding a bowl with the other. 3. Wiggle down on the beat and point to leg. 4. Point to eye, place thumb on the nose and the other thumb touches the pinky of the other hand while tapping the fingers.

4/4 time signature. Chords: C, G7, G.
