This hand play game can also be easily used as a baby bouncing game.

1. Use hand for the leaf and forefinger of the other hand for the hopping frog 2. Place one hand on top of the other with thumbs out and turning to make fish swim 3. Clap hands for the splash and throw out hands for the splash 4. Hop as before.

A little green frog in a pond am I;
Hoppity, hoppity, hop.

I sit on a little leaf, high and dry
And watch all the fishes as they swim by -
Splash! How I make the water fly!
Hoppity, hoppity, hop.
