*You don't need much to be happy!*

*A poem by Rose Fyleman*

*Music by Dany Rosevear.*

A lit - tle green frog — once lived in a pool, The sun was so hot, and the wa - ter so cool. He  
stayed in the wa - ter the whole — day long, Sing - ing his dear lit - tle, queer lit - tle song.  
Quag - ge - ry, quag - ge - ry, quag - ge - ry dee, No - one was e - ver so hap - py as me!

A little green frog once lived in a pool,  
The sun was so hot and the water so cool.  
He stayed in the water the whole day long,  
Singing his dear little, queer little song,  
"Quaggery, quaggery, quaggery dee,  
No one was ever so happy as me!"
