

# Rain of leaves

<https://riverofsong.uk/>

*An Autumn / Fall poem by Aileen Fisher.*

It's raining big,  
It's raining small,  
It's raining autumn leaves  
In fall.

It's raining gold  
And red and brown  
As autumn leaves  
Come raining down.  
It's raining everywhere  
I look.

It's raining bookmarks  
On my book!
