

# All the leaves are falling

<https://riverofsong.uk/>

*Fall or Autumn, it's that time of year.*

*A hand play to identify parts of the body and colours.*

*Music by Dany Rosevear.*

**Wiggle fingers downwards, put up one finger, touch nose.**

**Repeat each time touching named body part.**

All the leaves are falling,

One fell on my nose!

All the leaves are falling,

One fell on my toes!

All the leaves are falling,

One fell on my head!

All the leaves are falling,

Yellow, orange, red!
