

Fa la nana bambino

<https://riverofsong.uk/>

A charming Italian lullaby sometimes sung at Christmas time.

Translated by Dany Rosevear. If you have a daughter you could sing 'lovely one'.

The image shows two staves of musical notation for the lullaby 'Fa la nana bambino'. The first staff is in 3/4 time and contains the melody with lyrics: 'Fa la na - na, bam - bi - no, Fa la na - na, bel bam - bin, Fa la'. The second staff continues the melody with lyrics: 'ni - na, Fa la na - na, Nei brae - cet - ti del - la mam - ma'. Chords C, F, G7, and C are indicated above the notes.

Fa la nana bambino,
Fa la nana bel bambin,
Fa la nina, fa la nana,
Nei braccetti della mamma.

Go to sleep my little one,
Go to sleep my lovely son,
Close your eyes and
Go to sleep now,
In the warm arms of your mother.
