

Give thanks for love

A simple hand play for Thanksgiving and any other time of year.

Words and music by Dany Rosevear.

1. Each time 'give thanks' is sung place palms together. Shape sun then clouds. Cross hands at wrists. Make a crescent moon with thumb and forefinger. Shape a heart with both thumbs and forefingers.

2. Pretend to eat. Throw our hands and bring towards the heart. Make fingers twinkle. As before.

Give thanks, give thanks, for the sun in the sky, The clouds in the blue and the
birds fly - ing by; Give thanks, give thanks for the moon up a - bove, Give
thanks for love! Give thanks for love!

Give thanks, give thanks for the sun in the sky,
The clouds in the blue and the birds flying by;
Give thanks, give thanks for the moon up above,
Give thanks for love! Give thanks for love!

Give thanks, give thanks for the food that we eat,
Our family, our friends and the kind folk we meet;
Give thanks, give thanks for the stars up above
Give thanks for love! Give thanks for love!
