

The moon shines down

<https://riverofsong.uk/>

The dark night skies visit us earlier as we move towards Autumn and we look forward to seeing more of the moon in all her loveliness as she greets us at bedtime.

Our dear moon shines peacefully down to calm and soothe us whatever might be happening on our troubled Earth.

Words and music by Dany Rosevear.

Oh, the moon shines down, The moon shines down, The moon shines down on me, It's
peace - ful when the moon shines — down, When the moon shines down on me.
Ting - a - ling - a - ling! How — my — heart — sings! When the moon shines down on me.
Ting - a - ling - a - ling! What a ver - y love - ly thing! When the moon shines down on me!

Oh, the moon shines down, the moon shines down,
The moon shines down on me;
It's peaceful when the moon shines down,
When the moon shines down on me.
Ting-a-ling-a-ling! How my heart sings!
When the moon shines down on me.

Oh, the moon shines down, the moon shines down,
The moon shines down on me;
It's peaceful when the moon shines down,
When the moon shines down on me.
Ting-a-ling-a-ling! What a very lovely thing!
When the moon shines down on me.
Ting-a-ling-a-ling! How my heart sings!
When the moon shines down on me.
