

# A tree song

<https://riverofsong.uk/>

All trees have their special qualities but at Christmas time there is one that stands out. Winter is a great time to identify trees from their bare branches and to learn more about 'deciduous' and 'evergreen' trees.

From 'Little primary pieces' by Caroline Stearns published in 1868.  
Adapted and set to familiar tune by Dany Rosevear

Sing a song of oak trees, Sing a song of pine; Sing of elm and hick - o - ry  
Grow - ing broad and fine. Sing a - bout the ash tree, Pop - lar tree and beech,  
Ma - ple, birch and ap - ple tree, Pear and plum and peach.

Sing a song of oak trees,  
Sing a song of pine;  
Sing of elm and hickory,  
Growing broad and fine.  
Sing about the ash tree,  
Poplar tree and beech,  
Maple, birch, and apple tree,  
Pear and plum and peach.

Sing of this or that tree,  
Growing here or there;  
All around the world we know,  
Every tree is fair.  
North or south it might be,  
Maybe east or west;  
But overall I like to think,  
The Christmas tree is best.
