A Christmas number game. Learn number bonds to make eight. Music by Dany Rosevear.

Line 1. Point to each finger one at a time then hands to head like antlers. 2. Point upwards. 3. Put hand to mouth. 4. Point to wrist. 5. As before. 6. Put hand to ear, listening, jingle bells. 7. Hold up three fingers. 8. Ask children to say how many reindeer it will take to make 8 - Hold up eight fingers.

Change the number of reindeer waiting each time: '1, 2, 3, little reindeer...' and 'Wait for five...'

One, two, three, four, five lit - tle rein - deer, Stood by the North Pole gate.

"Hur - ry up San - ta," called the rein - deer, "Or we'll soon be late."

One, two, three, four, five lit - tle rein - deer, San - ta said, "Please wait!"

"Wait for just three more lit - tle rein - deer, Then we will have eight."

One, two, three, four, five little reindeer,
Stood by the North Pole gate.

"Hurry, Santa," called the reindeer,
Or we'll soon be late."

One, two, three, four, five little reindeer,
Santa said, "Please wait!"

"Wait for just three more little reindeer,
Then we will have eight."
