A finger or action rhyme. Learn the concept of 'one less'.

Put one finger down each time a snowman melts. Alternately five children stand in a row. Another child, the sun, shines on each one and that child melts down to the ground.

Five lit - tle snow - men made of snow, Five lit - tle snow - men
stand - ing in a row, Out came the sun and stayed all day,
One lit - tle snow - man mel - ted a - way! Ho, ho, ho,
don't you know? One lit - tle snow - man had to go!

Five little snowmen made of snow,
Five little snowmen standing in a row,
Out came the sun and stayed all day,
One little snowman melted away!
Chorus Ho, ho, ho, don't you know?
One little snowman had to go!

Four little snowmen... Three little snowmen... Two little snowmen...
One little snowman made of snow,
One little snowman standing all alone...
That little snowman melted away!

No little snowmen made of snow,
No little snowmen standing in a row,
Out came the sun and stayed all day,
Melting every snowman in the town away!
Ho, ho, ho, don't you know?
All the little snowmen had to go!
