

# Goodbye old year

<https://riverofsong.uk/>

*Dragon is on the move. One for Chinese New Year. Not sure where this one came from – probably a more recent offering. It would be good with loud percussion instruments combined with a Chinese dragon dance.*

The musical score is written in 2/4 time with a key signature of one flat (Bb). It consists of three staves of music. The first staff has a Dm chord and the lyrics: 'Good - bye old year, ce - le - brate the new one.' The second staff has a Dm chord and the lyrics: 'This is the drag - on's time, We can have some good fun!' The third staff has four measures with chords G, Dm, G, and Dm, and the lyrics: 'Drag - ons play, Cym - bals crash! Drag - ons leap, Co - lours flash! Rib - bons wave, Red and gold, Dan - cers move Strong and bold!' The score ends with a double bar line and repeat dots.

Goodbye old year, Celebrate the new one.

This is the dragon's time,

We can have some good fun!

Dragon's play, Cymbals crash!

Dragons leap, Colours flash!

Goodbye old year, Celebrate the new one.

This is the dragon's time,

We can have some good fun!

Ribbons wave, Red and gold

Dancers move Strong and bold!
