<https://riverofsong.uk/>

A Chinese folk song.

*Cup hands and move gently from side to side. Make fingers twinkle.
Continue rocking hands and then place on cheek.*

Lit - tle sil - ver moon rides the sky like a boat. Past the twink - ling stars it will
float, light - ly float. Sail, lit - tle moon boat, to the west! Sail, lit - tle moon boat, while I rest!

Little silver moon rides the sky like a boat,
Past the twinkling stars it will float, lightly float
Sail little moon boat to the west,
Sail little moon boat while I rest.
