

# Five little shamrocks

<https://riverofsong.uk/>

A song for St. Patrick's Day. Add one more each time. Find as many shades of green and their names as possible.

Music by Dany Rosevear.

Raise a finger for each shamrock.

One green shamrock, in the morning dew,  
Another one sprouted and then there were two.

Two green shamrocks growing beneath a tree,  
Another one sprouted and then there were three.

Three green shamrocks by the cottage door,  
Another one sprouted and then there were four.

Four green shamrocks near a beehive,  
Another one sprouted and then there were five.

Five little shamrocks bright and emerald green,  
Think of all the good luck those shamrocks will bring!
