Turn out your feet, Ev - ry - bod - y go - go! Then round like me,

Ev - ry - bod - y go - go! Then bend your knees and walk down low,

Ev - ry - bod - y go - go! Now wave your hands and look like so, Ev - ry - bod - y go - go!

Solo: Turn out your feet,

*Chorus: Everybody go-go!*

Solo: Then round like me, *Chorus*

Solo: Then bend your knees and walk down low, *Chorus*

Solo: And wave your hands and look like so, *Chorus*

Walk on your toes, *Chorus*

And wrinkle your nose, *Chorus*

And hop around without a frown, *Chorus*

And wave your elbows up and down, *Chorus*

Walk backwards now, *Chorus*

Then take a bow, *Chorus*

Then wave your arms up in the sky, *Chorus*

And hop away and wave goodbye, *Chorus*
