

# A little seed

<https://riverofsong.uk/>

A poem by Mabel Watts with music by Kay Stratton. Children love nothing better than seeing their own planted seeds grow; try sunflowers for utter amazement or vegetables to make into a salad dish – lettuce will grow profusely.

**Line 1. Hold thumb and forefinger together. 2. Cup hands together. 3. Dig a hole in palm; pat palm. 4. Put hands together, throw hands apart. 5. Make sun with hands then fingers make rain. 6. Pretend to sleep; cup hands around face like a flower.**

A lit - tle seed for me to sow... A lit - tle earth to make it grow... A lit - tle  
hole, a lit - tle pat... A lit - tle wish and that is that. A lit - tle  
sun, a lit - tle show - er, A lit - tle while and then - a flow - er!

A little seed for me to sow...  
A little earth to make it grow...  
A little hole, a little pat...  
A little wish, and that is that.  
A little sun, a little shower,  
A little while and then - a flower!
