

Five little speckled frogs

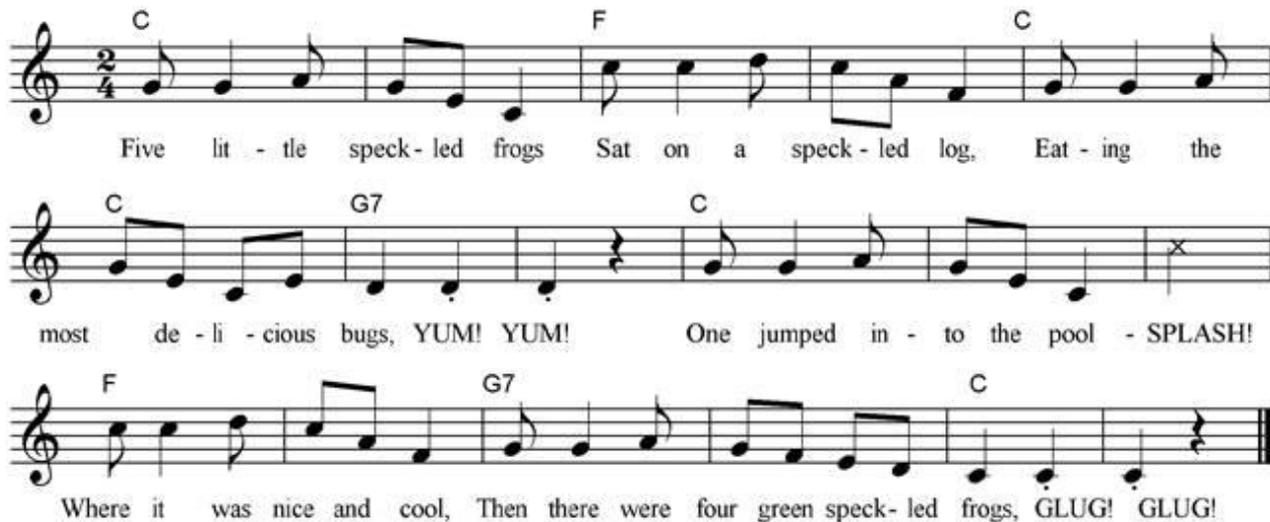

<https://rivgrofsong.uk/>

A big springtime nursery favourite.

Get jumping around the room like little frogs for a more energetic activity than the hand actions below. Make a big splashing sound with a tambourine when the frog jumps into the pool.

Hold up five fingers. Rest fist on top of hand. Flick tongues in and out. Rub tummy. Clap hands. Wipe brow. Raise four fingers. Fists open and close to each 'GLUB!'

Repeat as above for each new verse with the appropriate number of fingers.
