It feels good helping others,
It feels good being kind.
When we all come together,
Keep those wise, wise words in mind!

It feels good to think of others,
And do the very best we can,
When we've all worked together,
There'll be love throughout the land.

For it warms our hearts just like the sun
It makes sweet flowers grow;
It makes the little birds sing their songs,
It makes the rainbows glow;
A world we'd like to know!
A world we'd like to know!
