

## Dandelion clocks (2)

<https://riverofsong.uk/>

*A speech and finger play rhyme, learn to blow.*

*Every child loves to blow a dandelion puff and watch the tiny seeds take to the air.*

*Even better use one to tell the time.*

*By Miss J.E. Mulliner from 'Speech Rhymes' edited by Clive Sansom, a lovely collection introduced to support the teaching of young children in the 1960s.*

Wh - wh - wh - wh!

One o'clock, two o'clock, three o'clock, four-  
I found a fairy clock close to my door.

Wh - wh - wh - wh!

Five o'clock, six o'clock, seven o'clock, eight-  
I blew and I blew, and I found it was late.

Wh - wh - wh - wh!

I blew and I blew till I counted to ten-  
And now I'm beginning all over again!
