

Do your ears hang low

<https://rivzrofsong.uk/>

Have fun with this action rhyme. First time sing with a normal voice and move as below. Second time stand and sing with a loud voice making big movements. Last time crouch down and while singing with a very quiet voice make teeny tiny movements.

Twirl hands downwards. Swing arms from side to side. Mime tying a knot and then a bow. Throw hands over shoulder. Salute Move as before

Do your ears hang low? Do they wobble to and fro? Can you tie them in a knot? Can you tie them in a bow? Can you toss them over your shoulder like a regimental soldier? Do your ears hang low?
