

How does a caterpillar go?

<https://riverofsong.uk/>

A song by M.C. Dainton. Another from the ABC Playschool in the 1980s
Mime actions for each of the creatures in this song. The last line will help you.

How does a cat - er - pill - ar go? Dear me, does a - ny - bod - y know?
How does a cat - er - pill - ar go, On a cab - bage leaf the whole day long?

How does a caterpillar go?
Dear me, does anybody know?
How does a caterpillar go,
On a cabbage leaf the whole day long?
Wriggle, wriggle, wriggle!

How does a butterfly go?
Dear me, does anybody know?
How does a butterfly go?
From flower to flower the whole day long.
Flip flap, flip flap, flip flap!

How does a little froggy go?
Dear me, does anybody know?
How does a little froggy go,
On a lily pad the whole day long?
Hoppity-hop, hoppity-hop, hoppity-hop!

How does a fluffy duckling go?
Dear me does anybody know?
How does a fluffy duckling go,
A-searching worms the whole day long?
Cheepy-cheep, cheepy-cheep, cheepy-cheep!
