The score includes various chords such as G, C, D7, and G, and features a repeat sign with first and second endings.

We'll dance with the flowers.  
We'll sing with the sun.  
Dance, dance, dance, dance everyone!  
Warmth, joy and laughter,  
Run, join in the fun,  
White clouds and blue skies,  
Summer has come!

Chorus:

Summer has come, summer has come,  
Sweet love and harmony,  
Summer has come!

The world has awakened,  
A spider's web spun;  
Hum, hum, hum, the honeybees hum.  
Each buttercup shines like gold in the sun,  
Wide-eyed are the daisies,  
Summer has come!

Chorus

The blackbirds and thrushes  
High up in the trees,  
Sing, sing, sing in the warm gentle breeze;  
Green leaves all a-flutter,  
The west wind's at play;  
Long pleasant evenings  
End wonderful days.

Chorus

We'll swim with the fishes,  
Jump over the waves,  
Creep, creep, creep in and out of dark caves.  
Hunt in the rock pools,  
Find fossils to save;  
Make giant sandcastles,  
On these great summer days!

Chorus
