

# Fly little bird in the golden sun

<https://riverofsong.uk/>

From 'The Songs and Music of Friedrich Froebel's Mother Play' (Mutter und Kose Lieder) published 1895. The original music was in 6/8 time, I have added a tune in 3/4 to these lovely words.

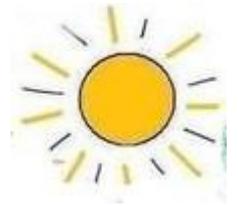

Words by W.W. Gilchrist. New tune by Dany Rosevear.

Fly lit - tle bird in the gold - en sun; Fly lit - tle bird 'til the day - is done;

Fly lit - tle bird where the grass - es play; Fly to the blue hea - ven far, far a - way.

Fly! fly! fly! - Fly! fly! fly! - Fly to the blue hea - ven far, - a - way.

Fly little bird in the golden sun;  
Fly little bird 'til the day is done;  
Fly little bird where the grasses play;  
Fly to the blue heav'n far, far away.  
Fly! fly! fly! Fly! fly! fly!  
Fly to the blue heav'n far away.

Fly little bird thro' the summer hours,  
Fly 'til the night wind rocks the flow'rs;  
Fly thro' the twilight and silver dew,  
Home to the nest that waits for you.  
Fly! fly! fly! Fly! fly! fly!  
Home to the nest that waits for you.
