

# Good morning, Mr. Hedgehog

<https://riverofsong.uk/>

*How sad it is that our garden friend is a rarer and rarer sight in this country. This song is still being sung in classrooms around the country. From 'The nursery song and picture book' published 1935 with words by Hilda M. Dodd, music by Annie Irwin Dodd. Arranged by Dany Rosevear.*

Good morn - ing, Mis - ter Hedge - hog, And how are you — to - day? The  
morn - ing's fine, the sun - beams shine, We hope — you've come to stay. —

The musical score is written on two staves in G major and 6/8 time. The first staff contains the first line of the song, and the second staff contains the second line. Chords G, C, D7, D, and G are indicated above the notes.

Good morning Mr. Hedgehog,  
And how are you today?  
The morning's fine, the sunbeams shine,  
We hope you've come to stay.

We miss you Mr. Hedgehog,  
As winter days go by,  
We cannot see where you can be,  
However hard we try!

We love your bright eyes twinkling,  
Your shining prickles too.  
So small and round, upon the ground,  
How funny to be you!
