Hap - py days! Black - bird is sing - ing, "Come out - side to play and have fun!"

Happy days! The sun is shining,  
Happy days! Now Summer's come.  
Happy days! Blackbird is singing,  
"Come outside to play and have fun!"

Happy days! The leaves are falling,  
Happy days! Now Autumn's come.  
Happy days! The woodlands whispers,  
"Come outside to race and run!"

Happy days! The snow is falling,  
Happy days! Now Winter's come.  
Happy days! We'll wrap up warmly,  
And go outside for snowballing fun!

Happy days! The showers are falling,  
Happy days! For Spring is here.  
Happy days! Sweet flowers are calling,  
"Come outside, a rainbow's appeared!"
