

The old grey mare

<https://riverofsong.uk/>

Realized as I was researching this American song that the tune is almost identical to 'Down in Demerara' - a very familiar one in my 1950s schooldays. A 'whiffletree' is part of a horses tackle.

The old grey mare, she ain't what she used to be, Ain't what she used to be,
ain't what she used to be, The old grey mare, she ain't what she used to be,
Man - y long years a - go. Man - y long years a - go, Man - y long years a - go, The
old grey mare, she ain't what she used to be, Man - y long years a - go.

The old grey mare, she ain't what she used to be,
Ain't what she used to be, ain't what she used to be,
The old grey mare, she ain't what she used to be,
Many long years ago. Many long years ago,
Many long years ago,
The old grey mare she ain't what she used to be,
Many long years ago.

The old grey mare, she kicked on the whiffletree,
Kicked on the whiffletree, kicked on the whiffletree,
The old grey mare she kicked on the whiffletree,
Many long years ago. Many long years ago,
Many long years ago,
The old grey mare she kicked on the whiffletree,
Many long years ago.
