Weave a web of sun - shine, Weave a web of gen - tle rain  
Weave a rain - bow in ev - ry heart, Put the world to rights once a - gain.  
Weave a web with kind - ness, Weave a web with joy and fun, Weave a  
web with love and laugh - ter, Un - til ev - 'ry day is done.

Weave a web of sunshine,  
Weave a web of gentle rain,  
Weave a rainbow in every heart,  
Put the world to rights once again.  
Weave a web with kindness,  
Weave a web with joy and fun,  
Weave a web with love and laughter,  
Until every day is done.

Weave a web of stardust,  
Weave a web of moonbeams bright,  
Weave a web of soft lullabies,  
To rock the cradle through the night.  
Weave a web for the sandman,  
Weave a web where dreams are spun,  
Weave a web to fly with the winds soft cry,  
Until morning light has come.
