

Autumn goodbye!

<https://rivcrofsong.uk/>

A simple late Autumn song from Germany.

Make up more couplets of things that happen as Autumn / Fall changes to winter.

Au - tumn good - bye! Au - tumn good - bye! You may no lon - ger stay,
Win - ter is on it's way. Au - tumn good - bye! Au - tumn good - bye!

Autumn goodbye! Autumn goodbye!
You may no longer stay;
Winter is on it's way,
Autumn goodbye! Autumn goodbye!

Autumn goodbye! Autumn goodbye!
Swallows away have flown,
Bitter winds cry and moan;
Autumn goodbye! Autumn goodbye!
