

Seagull, seagull sit on the shore

I originally found a simple version of this on BBC Schools TV 'Music time' broadcast in the late 80s. This version is usually sung as a two part song and the arrangement was written by Susan Brumfield.

Sea - gull, sea - gull, sit on the shore, sit on the shore, sit on the shore, Sea - gull, sea - gull,
Cap - tain, cap - tain, hoist up the sails, hoist up the sails, hoist up the sails, Cap - tain, cap - tain,

sit on the shore, and sail on, my San - ty An - na. For my love is far a - way,
hoist up the sails,

far a - way, far a - way, For my love is far a - way, 'cross the o - cean.

Blue hor - i - zon, head - ing for home, head - ing for home, head - ing for home, Blue hor - i - zon,
head - ing for home, oh sail on, my San - ty An - na. 'Cross the waves and back a - gain,

back a - gain, back a - gain, Cross the waves and back a - gain, San - ty An - na.

Sail on my San - ty An - na.

Seagull, seagull, sit on the shore, sit on the shore, sit on the shore.
Seagull, seagull, sit on the shore, and sail on my Santy Anna.
Captain, captain, hoist up the sails, hoist up the sails, hoist up the sails,
Captain, captain, hoist up the sails, and sail on my Santy Anna.

For my love is far away, far away, far away,
For my love is far away, 'cross the ocean.

Blue horizon, heading for home, heading for home, heading for home,
Blue horizon, heading for home, oh, sail on my Santy Anna.

'Cross the waves and back again, back again, back again,
'Cross the waves and back again, Santy Anna.

Sail on my Santy Anna.
