

Six little acorns

<https://riverofsong.uk/>

A song for autumn. Learn to subtract from six.

1. Hold up fingers to show the number of acorns. Make hands move like the wind. 2. As above

3. Show empty hands. Wiggle finger upwards and point to self.

Words and music by Dany Rosevear ©

The notes are C4, D4, E4, F#4, G4, A4, B4, C5, B4, A4, G4, F#4, E4, D4. The lyrics are 'aut - turn winds be - gan to blow and down came three.' Chords G, D7, C, G, C, D7, G are indicated above the notes.

Six little acorns in an old oak tree,
The autumn winds began to blow and down came three.

Three little acorns in an old oak tree,
The autumn winds began to blow and down came three.

No little acorns in an old oak tree,
But underneath I saw one sprout, just for me!
